

Elite 5216 Double Arm Wall Mount

ELP5216-WT-KUS

Sit-stand workstation

The Elite 5216 Double Arm Wall Mount is compact, powerful and versatile. It can be mounted on a desk, pole, wall or wall track and accommodates a monitor and keyboard tray. A true sit-stand workstation, this arm provides up to 30" (76 cm) of vertical adjustment, offering an all-in-one solution for actions that require both standing and sitting. Sit-stand workstations, which are defined as having at least 21" of vertical adjustability, enhance employee health, reduce fatigue and eliminate "sitting disease."
