

VT-21 Low Profile Workstation

VTLP model stows 4" from the wall with CPU Holder

Optional:

CPU Holder - CPUSF-MW

VTM Tandem Arm

The VT21 is an excellent choice for areas that require a low profile workstation, including healthcare corridors. The stowed depth can help maintain adequate hallway space to comply with fire codes. Available in three models:

VTLP Low Profile

- Depth with WorkSurface Tray extended: 22" (56 cm)
- Depth with Flip-Up Keyboard Tray: 12" (30.5 cm)
- Stowed depth: 4" (10 cm)
- Mounts flat against the wall
- monitor does not rotate or tilt
